REMARKS

The Office Action of 04/30/2007 has been carefully considered. Reconsideration in view of the foregoing amendments and the present remarks is respectfully requested.

The specification, claims and drawings have been amended paying particular attention to the examiner's remarks, which are appreciated.

The addition of headings to the specification was suggested. As such headings are not required and have in the past been known to affect the scope of protection afforded, Applicant respectfully declines.

Claims 1 and 2 were rejected as being anticipated by Saitoh. Claim 1 has been amended to incorporate the features of claims 3 and 4, which have been canceled. Claim 10 has also been canceled. As claims 3 and 4 were not rejected based on prior art, and inasmuch as the claims as presently amended are believed to be clear and concise, claims 1, 2 and 5-9 are believed to be allowable.

Notice of the same is respectfully requested.

Respectfully submitted,

A handwritten signature in dark ink, appearing to read "M. Ure", is written over a horizontal line.
